The <u>Summary of Benefits and Coverage (SBC)</u> document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit <u>azblue.com</u> or call 1-877-475-8440. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. You can view the Glossary at <u>healthcare.gov/sbc-glossary</u> or by calling 1-877-475-8440 to request a copy.

Important Questions	Answers	Why this Matters:
What is the overall <u>deductible</u> ?	In-network providers: <b>\$1,600</b> /member and <b>\$3,200</b> /family Out-of-network providers: <b>\$3,200</b> /member and <b>\$6,400</b> /family	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> . Unless a <u>copay</u> , fee, or other percent is shown, the <u>coinsurance</u> percent of the <u>allowed amount</u> that you pay for most services is 25% <u>in-network</u> and 50% <u>out-of- network</u> .
Are there services covered before you meet your <u>deductible</u> ?	Yes.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. See a list of covered <u>preventive</u> <u>services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u> .
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	In-network providers: \$5,500/member and \$11,000/family Out-of-network providers: \$8,000/member and \$16,000/family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket</u> <u>limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, copays, access fees, out-of- network precertification charges, balance- bills, costs for health care this plan doesn't cover, coinsurance for medical foods and coinsurance for portions of stays in some inpatient facilities	Even though you pay these expenses, they don't count toward the <u>out–of–pocket</u> limit.

Important Questions	Answers	Why this Matters:
Will you pay less if you use an <u>in-network</u> <u>provider</u> ?	Yes. See www.azblue.com or call 1-877-475-8440 for a list of <u>in-network</u> <u>providers</u> .	This <u>plan</u> uses a provider <u>network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the specialist you choose without a referral.

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
